Subject: IRCAI Top 100 2025 – Global Index of AI Innovations for advancing sustainability and the 17 Sustainable Development Goals by the UN

Dear Madam/Sir,

I am writing with regard to your proposal submitted to the IRCAI Top 100: Global AI for SDGs Index.

Following the completion of the evaluation process, we are pleased to inform you that your proposal has successfully passed this phase. It was rated as **Outstanding** by our reviewers and has therefore been selected for inclusion in the Top 100 global index.

This year's call attracted a large number of highly diverse and competitive submissions from across the world, representing all UNESCO regions. This made the selection process again particularly challenging. In this context, we would like to congratulate you on the outstanding quality, originality, and relevance of your proposal.

- Your project is publicly featured on the IRCAI's Top 100 projects page.
- To support visibility and outreach, a range of communication and promotional resources is available on this page.
- We also warmly invite you to join the IRCAI Top 100 LinkedIn Group, created to connect selected projects, foster community growth, and support collaboration aimed at scaling solutions to sustainability challenges.
- In addition, we have prepared an official announcement that you are welcome to share with your community and networks.
- A shorter-form announcement is also available on IRCAI's Medium and you are encouraged to share it.

Our colleagues will be in touch with you in the coming weeks regarding outreach and next steps. Should you have any questions, please do not hesitate to contact us.

We look forward to staying in contact and to following the future development of your work as part of IRCAI's Global Index of AI Innovations for advancing the 17 UN Sustainable Development Goals.

Yours sincerely,

Davor Orlic
